

“I did feel as though I was reading a **psychological thriller** that I’d bought”

“**WOW WOW WOW** my **emotions** have been up and down, sideways and back to front”

“Well done Harriet, my goodness there is a lot of **hard work** here”

“You certainly know how to write a **good book!** I got stuck into it last night...came straight home and **picked it up again**”

“it had me completely **absorbed**... I have read the whole lot in one go! I love how real it is and how anyone can relate to it”

“I got out my diary and spent some time remembering what I’d been through and where I am now which I hadn’t done before. **Thank YOU**”

“You have written in words exactly how I **feel**”

“This is great and very **moving**, well done you!”
